

RYCO Hydraulics/RYCO HOSE
19 Whitehall Street
Footscray Vic 3011

Operates a management system
that complies with the requirements of:

AS/NZS ISO 9001:2008

The Scope of Certification is:

Design, development, manufacture and supply of hydraulic hose assemblies, hose couplings, fittings, adaptors and pneumatic couplings and adaptors for the marine, mining, agricultural, automotive and general industries.

Capabilities include specialist CAD design and drafting, facilities for mass production to close tolerances, high pressure hose testing facilities, impulse testing, hydrostatic and external cyclic pressure testing.

A complete range of hydraulic hose assembly equipment including hose crimping machines and hose cut off saws are supplied and supported. Management of franchised mobile connector specialist services which provide on-call, on-site servicing for emergency breakdown and/or repair maintenance work for hose and tube systems.

Date of Issue: 10 November 2009
Expiry Date: 31 October 2012
Certificate Number: 7029-30
Certification Number: 7029
Certification Date: 06 April 1995
